## Dean's Message

Hello AGO Friends,

Another AGO year is almost in the books! We will close out the season with a picnic social on Saturday, June 11th, at which time the officers for 2022-24 will be installed. There will also be several tables of organ music donated by some past members, all FREE for the taking! At last count we had 16 boxes of newly-donated scores, plus several boxes that we have stored since last year. We would love it if all these pieces could find new homes. So please plan to bring a chair, your favorite pot-luck dish, and come join your AGO friends at Walnut Hill Church as we say hello to summer.

Your Executive Committee has come up with some fantastic programming ideas for 2022-23. We are finalizing these arrangements with workshop presenters and recitalists, as well as finding some good venues for the social events we all love. We hope to have a complete schedule of events ready for the summer newsletter, which should come out in late July/early August.

Many of you have dues that are due sometime in the summer. You won't want to miss out on our activities, so when you receive the dues renewal notice from AGO national, please don't delay—renew right then so you won't forget.

Thank you all for your support of Lexington AGO this past year. I am so happy to be serving as your dean for the next two years, and hope that we can continue to be a great resource for our membership.

Jane

## OFFICER INSTALLATION AND POTLUCK LUNCH—JUNE 11TH

Join us on the beautiful grounds of Walnut Hill Church, 575 Walnut Hill Road in Lexington, for a potluck luncheon and installation of officers for 2022-24. We will begin congregating at 11 am for socializing and browsing many tables of FREE music donated by some of our members. Of special interest will be about 16 boxes of organ scores donated recently by Dan Uhl.

We'll plan to eat around noon, with the installation of officers taking place after lunch. The chapter will supply meat and drinks along with plates, cups and utensils. So plan to bring your favorite potluck offering and a chair and come celebrate the beginning of summer with your AGO friends!

## OFFICERS ELECTED FOR 2022-24

Executive Secretary Grant Holcomb reports that the following nominated candidates were unanimously elected to serve the Lexington chapter AGO for 2022-24:

Anna Pan, Treasurer and Registrar

Clif Cason, Member-at-Large (Class of 2025)

The Executive Committee also includes the following Members-at-Large:

## MEET A MEMBER by Ted Gentry, Lexington AGO Historian

**Betsy Steiner** has been a loyal AGO member since the 1950s. She has served in many official offices in the Lexington chapter, including two terms as Dean in 1962-64 and 1971-72. Betsy began her organ studies at the age of 15. Past organ positions include First Presbyterian of Paris, and, most recently, the Episcopal Church of the Advent in Cynthiana. Though many of us value Betsy's fine musical skills, many younger members of our chapter may not know that she is an ordained Presbyterian minister and that she has pastored three churches in Scott County. When asked what advice she would like to give young aspiring organists she said, "Practice and become familiar with the instrument. Above all, develop your sight reading ability."

## MAY RECITAL ROUNDUP

With so many programs having to be postponed in 2020 and 2021 due to Covid-19, we had a rescheduled plethora of riches last month. Janette Fishell presented the pre-Evensong recital at Church of the Good Shepherd (and unfortunately we didn't get any photos), Katie Minion Scheetz gave a recital at Christ Church Cathedral, and Alan Morrison performed a brilliant program at Cathedral of Christ the King. In addition, Grant Holcomb gave the pre-Evensong recital at Christ Church Cathedral. We hope you were able to attend one or more of these wonderful events!
